NATIONAL EDUCATOR CONFERENCE INFORMATION:

We anticipate more than 300 teachers from across the United States. In addition, representatives from Jump\$start partner organizations and others will be in attendance at our third Jump\$start National Educator Conference. Your sponsorship helps to subsidize the cost for teachers to attend this event—feedback from previous years indicates that this has been a significant factor for many participants.

Sponsors that choose to utilize their complimentary exhibit space will receive additional information and instructions.

If you have questions or would like to propose other sponsorship support, please contact Dan Hebert, Jump\$start Director of Professional Development Instruction, at daniel.hebert@jumpstart.org or 603.731.1812.

Thank you for your support.
